No. Rc.48256/49 D.I

Dated, 14.8.50

Sir,

Sub: Travelling Allowance - Designer for woollen Industry Admissibility.

Ref: G.O. No.1552 Development dated 21.7.1943.

In the G.O. cited above Government were pleased to treat the designer for woollen Industry as a grade VIII Officer for purposes of Railway Journey on tour only irrespective of the pay drawn by him. This concession was given for the duration of the War.

The Deputy Registrar, Bellary, under whom the designer was working has reported that the designer was allowed single Inter Class plus 1/2 III rd Class fare upto 30.9.44 and single inter class fare plus the additional portion of III Class fare admissible from 1.10.44 to 31.12.1948. After the abolition of Inter Class from 1.1.49 he was allowed single III Class fare plus Daily Allowance as per G.O. No.62 Finance dated 24.1.49. The Deputy Registrar who was asked to report how he allowed Inter Class fare after the cessation of hostilities, has reported that as Government in G.O.No.989 Finance dated 6.9;45 have stated that the concession sanctioned for the duration of War should be in operation until further orders, he allowed Travelling allowance to the designer at Inter Class rates. I am taking suitable action against the persons responsible for the irregularity.

Since the designer travelled in Inter Class and incurred the expenditure I request that Government may be pleased to ratify the action of the Deputy Registrar

Bellary, in having permitted the Designer to travel by inter class upto 31.12.1948 a and claim enhanced Travelling Allowance accordingly. - -

2. In H.O.No.(Ms)1552, Dev., dated 21-7-1943 the Govt. ~~have~~ ordered that the Designer for woollen industry be treated as a grade VIII officer for purposes of Railway journeys on tour only, irrespective of the pay drawn by him. This concession was given for the duration of the war. But the Designer was allowed higher class travelling allowance, even after the termination of hostilities upto 31-12-48. The Dy.Regr. concerned has cited G.O.No.989 Fin. dated 6-9-1945 in support of such drawal. In this G.O. the Govt. directed that the various orders issued from time to time sanctioning enhanced rates of travelling allowance and compensatory allowances to Government servants for the duration of the war, should remain in force until further orders. The concession allowed to the Designer was not an actual enchancement of the rate of T.A and it does not seem that it can be taken to have been continued under the terms of G.O.No.989, Finance dated 6th Sept.1945. The Regr has stated that he is taking suitable action against the persons responsible for the irregularity.

As however, the Designer is stated to have actually incurred the expenditure, the Registrar's proposal to ratify the action of the Dy.Regr. may be accepted.

A draft order is submitted for approval. It may be sent to Finance for acceptance.
